Tariff Filing of Pacific Bell)	Transmittal No. 2029

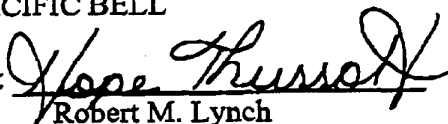

SUPPLEMENT TO DIRECT CASE OF PACIFIC BELL

On April 5, 1999, Pacific Bell filed its Direct Case in support of its January 15, 1999 tariff filing related to local number portability. Since the filing of this pleading, Pacific Bell has discovered certain inadvertent errors with regard to Charts 1 and 2a which neither change the total costs claimed nor the tariff rates sought by Pacific Bell. However, in the interest of complete accuracy, Pacific Bell hereby files as a supplement to its Direct Case, a new Chart 1, correcting the amounts identified on Lines 8 and 9, (Attachment A) and a new Chart 2a, correcting the amounts identified on Lines 4 and 5 (Attachment B). Since these Attachments contain highly confidential cost information, they are being submitted accordingly.

Respectfully submitted,

PACIFIC BELL
